

# DO YOU LIKE SPACE?

Join SRMP and you can do real science with astronomers at Harvard and MIT

Applications for the Harvard-MIT Science Research Mentoring Program (SRMP) will be available **May 10-May 28** for the upcoming academic year (2021-2022) !

## Program Details:

- Runs from September 2021- May 2022.
- Teams of 2-4 students meet 2x week for 2 hours with their mentors.
- Schedules are flexible and are set by students and mentors.
- Program is completely free! Laptops and other equipment provided by Harvard and MIT!

...to learn more and see what types of projects **you** could work on...

---

## ...come to the **SRMP SYMPOSIUM 2021**

May 21, 2021 @ 4:00 pm

**Let our incredible students tell you about the cool science they have worked on all year!**

## Event Details:

- Our high-school students will talk about their science projects, and discuss their experiences in the SRMP program.
  - The symposium will run from 4:00 pm to 6:00 pm.
  - The symposium will be hosted as a virtual zoom webinar.
  - Everyone's invited.
  - The event is completely free but registration is necessary.
-
